Teachers Josh Dodd & Sandy Wehr chaperoned a group of Jasper High School Students during their trip to Germany...through the German Exchange Student Program 2015.

Peace Dove from Germany

When our Jasper High School students traveled to Germany in May 2015, they were given the Dove of World Peace. This golden dove was made by an artist who wishes it to "fly" all over the world in an effort to bring world peace to countries, through travel and learning about other cultures. It was presented to Mayor Seitz on July 16, 2015, from the JHS German Exchange students who just returned from Germany. In turn, the dove will be given back to Pfaffenweiler to take back to the Artist during the opening ceremony at the Jasper Strassenfest. The Artist will then give it to another country who can give it to another country and return it back to the artist, etc, etc. This has been going on since 2012.
